Please send your child's headphones in a zip lock bag with his/her name on it.

Please do not purchase backpacks with wheels.

Specific brands are specified due to that brand's ability to last for a longer period of time. Ticonderoga pencils sharpen better and last longer. Crayola products are sturdier, color more smoothly and last longer. Elmer's products adhere better. Expo products tend to be "odor friendly". Fiskar scissors are a better fit for the developmental skills of younger children.

Thank you for all you do to support your child's education!
