

TDS New Afternoon Dismissal Plan

2:55- Our first bell will ring. Parents desiring to pick up their child at this time will need to park down at the gym and enter the building through the gym door. You may go to your child's room and pick him/her up when the bell rings. By parking at the gym door, you will not be held up by those cars that are waiting in line until 3:15.

Also at 2:55 Creative Care children will be dismissed to the gym. Children of employees of Dickson County Schools will report to Creative Care with this group unless another adult is designated to pick them up from school.

All other students will remain in the classroom and begin working on homework with assistance from the teacher, or participate in an afternoon meeting during which teachers will review the skills taught that day.

At 3:15 our second dismissal bell will ring. K-2 car riders and any older siblings will report to the entrance by the office and be loaded into their cars. 3rd-5th grade students will be dismissed at the entrance facing the Bank of Dickson.

At 3:30, all bus riders and remaining car riders will be at the entrance facing the Bank of Dickson. Our bus usually arrives at this time. Any car riders remaining after the bus has left will be signed into Creative Care.

Parents, this procedure is not meant to inconvenience you in any way. We want to make the best use of all the time in our day. We feel by remaining in the rooms until 3:15 will enable every student to get additional classroom assistance as opposed to sitting in a line waiting to be picked up. By the same token, rather than waiting in line in your car, feel free to pick up students at other schools and wait until 3:15 to head to TDS for pick up.
