3 If a complaint is filed by a parent/guardian, employee, or student regarding textbooks or  
4 instructional materials, this process is to be followed.<sup>2</sup>

5 Because opinions differ, there may be questions concerning some instructional and library  
6 materials despite the quality of the selection process. If a complaint is made, the following  
7 procedure is to be followed:

- 8 1. Inform the complainant of the selection procedures and make no commitments.
- 9 2. Request the complainant to submit a formal Request for Reconsideration of Instructional  
10 Materials.
- 11 3. Inform the principal (and other appropriate personnel).
- 12 4. Keep challenged materials available for use during the reconsideration process. The  
13 materials shall be removed immediately if they:<sup>3</sup>

14 Were created to align exclusively with Common Core; or

15 Are marketed or otherwise identified as Common Core textbooks or instructional  
16 materials.

- 17 5. Upon receipt of the completed form, the principal requests review of the challenged  
18 materials by an ad hoc materials review committee within ten (10) working days, and  
19 notifies the appropriate supervisor and the Director of Schools that such review is being  
20 done. The review committee is appointed by the Director of Schools/designee and  
21 includes certified library media personnel, representatives from classroom teachers, one  
22 or more parents, and may include one or more students.
- 23 6. The review committee shall take the following steps after receiving the challenged  
24 materials:
  - 25 a. Read, view or listen to the material in its entirety;
  - 26 b. Check general acceptance of the material by reading recognized and  
27 evaluative reviews
