

Apptastic Apps

- CES website: <http://ces.dicksoncountyschools.org/>

Under the Library tab on the tool bar is a link to Useful Apps.

This is a list of Apps from ipads you can select from.

Also, under the Library tab, is a link to Follett Destiny. Once you click on the link, find Charlotte Elementary and click on it.

This is the Destiny Quest page. In the middle tab, look for Resource Lists. Under Public lists you will find suggested Summer Reading lists broken down by grade levels.

Next, locate the exit tab (top right corner next to Login). Click on exit.

Finally, locate the Home tab (far left corner next to Catalog) and click on it. Here you will find a list of Digital Resources - links to sites for you and your student to use.

- Educators look on this site to find the best apps for subjects they will be teaching in the classroom: <https://www.graphite.org/>
