

DICKSON COUNTY SCHOOLS

December 28, 2020

We hope you have had a wonderful break and had some time to relax a bit. As you know, the number of COVID Cases continues to grow in Dickson County. In response to these numbers, the Dickson County School System will **begin the second semester under a hybrid model.**

As outlined in our *Fall 2020 Reopening Guide*, and our *2021-Operating Guide*, we will provide a hybrid schedule which will contain an alternating schedule for many of our students. This schedule will be similar to the manner in which we started school in early August, *except* K – 3 students will attend 4 days. Our current plan is to follow this model **through January 22nd**. We will evaluate the situation and make additional announcements so that you and your family will be able to plan appropriately. Thank you for your encouragement, patience, and understanding during these difficult times.

If you have specific questions, please contact your students' school or call the Central Office (615-446-7571).
