Students take one related arts class each semester of the school year. Only materials for the related arts class they have on their first semester schedule are needed to begin the school year. Some students participate in Band or an RTI class. These students will have a supply list provided to them by their Band/RTI teacher. If you have any questions or concerns about requested supplies please feel free to contact the related arts team.

***Every student is enrolled in a Wellness class, which runs for the entire year.**
